Taking centre stage is the beautiful infinity pool that seems to blend endlessly into the lake horizon. The pool is surrounded by intimate wine and dining terraces on different levels. The lodge interiors have been beautifully finished in a fusion of contemporary western and African styles. Bumi Hills Safari Lodge is situated on an extensive wildlife conservation area. Bumi Hills is home to lion, hippo's, big herds of elephant and buffalo, as well as a multitude of different plains game.

Supporting Conservation in Mola: The Build a Lion Boma Initiative

Our Build a Lion Boma Initiative aims to support the ABCF Human-Wildlife conflict efforts in the Mola community in Zimbabwe. The Lion bomas are used to protect the community's livestock from predators and lions. A boma is a cloth material that is used to cover kraal's so lions are unable to see the animals in the kraal, thus protecting the livestock inside from lions. By protecting the community's livestock from lions and other predators, we are reducing human-wildlife conflict in the area and retaliation killing of wildlife.

For a donation of \$2,000, ABCF can purchase a lion boma for the Mola community. Guests can participate in this initiative by donating towards a lion boma. As part of this donation, guests get to visit the Mola community during their stay at Bumi Hills and work with the community to erect the lion boma in the community.

This initiative is included in the conservation impact safari or can be added to any ABC safari booking that includes our Bumi hills lodge.
